Bayou's Total Trainer machines are a great cost-saving alternative to the Total Gym, which can cost upwards of \$1000 to purchase. The DLX-III model is still far less expensive than the Total Gym XLS and it does come with a few updated features over its precursor: the Bayou Fitness Total Trainer 4000-XL. I recently reviewed the Total Trainer 4000-XL in another post.

A product like the Bayou Fitness Total Trainer Home Gym - with this price tag - has to be built to last and with one review being written after 10 years of use, it seems that this is a reliable machine. Some users attribute this benefit to little details like the use of rope over plastic coated cables, which wear down more easily. ...

### Buy Total Trainer | A Total Gym workout | Home Gyms ...

The Bayou Total Trainer DLX-III home gym is fairly similar to the Total Trainer PowerPro.However, the main difference between the two exercisers is the fact that the PowerPro has only one central gliding rail for its board, while for the DLX-III model the board moves on two separate rails.

### Bayou Fitness Total Trainer DLX-III Home Gym Review

The Total Trainer Power Pro 5000XL has been designed primarily as an upper body workout machine. This differs from conventional multi gym machines in the fact that while you can add additional weight in the form of weight plates, it will be your bodyweight that provides most of the resistance for the exercises.
