Civil Society Challenging Western Models

The contributors to Civil Society challenge such narrow definitions in the light of ethnographic research. They argue for a broader understanding of civil society, encompassing a range of everyday social practices, often elusive power relations and the many material constraints that influence shared moralities and ideologies.

3On these issues more generally, see C. Hann and E. Dunn (eds), Civil Society: Challenging Western Models (London: Routledge, 1996). - 5 - like the Asian Labour Network on International Financial Institutions (which links trade unions in four countries to campaign on labour rights and welfare issues) are

Global Civil Society: Changing the World?

Many scholars use “civil society” to denote a realm of peaceful social organization independent from and often antagonistic to the state. The mass demonstrations that peacefully brought down Eastern European governments in the late 1980s legitimized this understanding. At the same time, however, governments were falling in less developed countries, and the social groups that emerged were ...

speaking world (Black Sea coast and Xinjiang, N-W China). His main theoretical interests lie in economic anthropology, religion (especially Eastern Christianity), and long-term history (the Eurasian landmass).

Chris Hann - Wikipedia

Figure 1 There is still another kind of explanation about the causes of civil society. As Weigle and Butterfield conclude from their study of the democratic transitions in Eastern Europe and the former Soviet Union, "social groups would form on the basis of independently articulated interests and goals" (Weigle and Butterfield 1992:3).

Hann, Chris, and Elizabeth Dunn, eds., *Civil Society: Challenging Western Models* (London and New York: Routledge, 1996) Hanson, Stephen E., *Time and Revolution: Marxism and the Design of Soviet Institutions* (Chapel Hill: University of North Carolina Press, 1997)

The Weakness of Civil Society in Post-Communist Europe by ...

Since 1989, European historical science has developed a strong interest in the concept of "civil society". According to a combined-definition that draws on both action-related and area-related criteria, civil society is a space and a sphere of action that exists between the private sphere, the economy, and the state. Acts in this sphere are based on a minimum consensus of norms that includes ...

Civil Society — EGO

Most recently, Josh McGhee, Matt Chapman, and I questioned official police narratives about arrests during the first days of the uprising that began after the death of George Floyd. After our story, CPD shut off access to its arrest data API. That led to an outcry from the mayor's transparency task force
