LibGen is a unique concept in the category of eBooks, as this Russia based website is actually a search engine that helps you download books and articles related to science. It allows you to download paywalled content for free including PDF downloads for the stuff on Elsevier's Science Direct website. Even though the site continues to face legal issues due to the pirated access provided to books and articles, the site is still functional through various domains.

Halo Mortal Dictata Karen Traviss

'Halo: Mortal Dictata', by Karen Traviss, is a science-fiction book that is set in the distant future where humanity is at war with a union of alien species called the Covenant. As near as I can tell, the author chose to write this book solely for the purpose of entertaining an audience.

And then we get to Mortal Dictata. It's a strange book in that a number of plot threads built up in its predecessors are completely ignored and the story instead switches its whole focus to anti-Earth 'militant' Stefan Sentzke. I use the term loosely as Karen Traviss paints him as more of a poor doting grandfather with no real axe to grind.

As a fan of the machinima webseries Red vs Blue, Karen Traviss made several references to the series in her Kilo-Five Trilogy. The most prominent is the pronunciation of "Phillips" by the Sangheili as "Phyllis", which reference to two AIs in the machinima: F.I.L.S.S. and Sheila, whose original name was Phyllis.
