Keeping Hamsters as Pets - Caring for Hamsters
Keeping Your Hamster Happy and Healthy. Hamsters, for many people, make excellent pets. They don't require a lot of attention, get enough exercise running on their wheel, and are cute, cuddly, and pleasant to hold. They can make an excellent starter pet for some children. Unfortunately, hamsters don't come with care instructions.

10 Things You to Know About Keeping a Hamster as a Pet
Many people enjoy having hamsters as pets. These small creatures make a unique and very friendly addition to your family. Hamsters are inexpensive, both to purchase and maintain, as well as being cute and cuddly, easily fitting into the palm of your hand. The downside to having a pet hamster is their short lives.

Simple Tips to Keep Your Hamster Healthy and Happy
If you have a pet hamster it's important that you make sure he has everything he needs to be healthy and happy. You will need to give him plenty of space to run around and exercise and plenty of toys to play with. A healthy diet can include some treats to add variety to his diet, and you can learn to handle him and play together.
