...
A majorly debated topic regarding the imprisonment of women centres on the use of Mother and Baby units. This is the use of a specially designated 'crèche' type area in the prison for pregnant females to give birth and attempt to create a mother-child bond, with new born babies being kept in some prisons

up until the age of 18 months.

Argument that women experience special pains of imprisonment

Prison systems must begin to take the pains of imprisonment and the nature of institutionalization seriously, and provide all prisoners with effective decompression programs in which they
