Insight: The Power of Self-Awareness in a Self-Deluded ...

The first definitive book exploring the science of self-awareness, the meta-skill of the 21st century, Insight is a fascinating journey into everyone's favorite topic: themselves. Do you know who you really are? Do you ever wonder how other people really see you? Though we are usually confident that we do, we are wrong more often than we think.

Amazon.com: Customer reviews: Insight: The Power of Self ...

Research shows that self-awareness is the meta-skill of the 21st century - the foundation for high performance, smart choices, and lasting relationships. Unfortunately, we are remarkably poor judges of ourselves and how we come across, and it's rare to get candid, objective feedback from colleagues, employees, and even friends and family.
