eReaderIQ may look like your typical free eBook site but they actually have a lot of extra features that make it a go-to place when you're looking for free Kindle books.

Interlux Application Guide

When applying by brush a good technique is the 'Criss-Cross' method. Paint is applied to the surface with a diagonal brushing action from the left and right (1). This is then spread further with horizontal strokes (2) before finally 'laying off' with light vertical strokes (3).

Application techniques - Interlux

Application of the Perfection Topside Paint After one or two layers of Undercoat, we can now move to the Interlux Perfection Topside paint. Before you start it is a good idea to lightly sand the surface to remove any unevenness in the undercoat. Then wipe down the surfaces with turpentine.
