Perfect book for younger boys who are just starting to have questions, or who have started puberty earlier than usual. This book explains a lot without giving too many explicit details. Other books we ordered went into detail about masturbation and sexual activity, but this book stays away from those topics.

Great book for explaining the changes of life to young girls. Got this as a recommendation from another friend, and I've been very pleased. The first 3/4 of the book are great about explaining body changes, mood changes, and the feelings that come along with changing from a young girl to a young lady.
