Life in Crisis by Peter Redfield - Paperback - University ...

Life in Crisis tells the story of Médecins Sans Frontières (Doctors Without Borders or MSF) and its effort to "save lives" on a global scale. Begun in 1971 as a French alternative to the Red Cross, the MSF has grown into an international institution with a reputation for outspoken protest as well as technical efficiency.

‘Life in Crisis: The Ethical Journey of Doctors Without Borders’ by Peter Redfield (University of California Press, 2013). This book is an ethnographic report on the conceptual, intellectual and practical journey of the ethical principles and practice of the founding, development and maturation of Mediciens Sans Frontieres (MSF)in its role as a major global activist in humanitarian medicine.

Life in Crisis: The Ethical Journey of Doctors Without ...

These twin themes, of ethical engagement centred on the value of life, and minimalist action, tie together the threads of MSF's history, which is presented as a bildungsroman: a coming-of-age narrative, in which MSF evolves from an adolescent organization born of 1968 idealism, to become a large, professional charity and the winner of the 1999 Nobel peace prize.
