Parerga and Paralipomena is a collection of philosophical reflections by Arthur Schopenhauer published in 1851. The selection was compiled not as a summation of or introduction to Schopenhauer's philosophy, but as augmentary readings for those who had already embraced it, although the author maintained it would be comprehensible and of interest to the uninitiated nevertheless. The collection is divided into two volumes, covering first the parerga and thereafter the paralipomena to that philosoph
