Shifting the Monkey: The Art of Protecting Good from Liars ...

Shifting the Monkey details methods for putting the responsibility and accountability back where it belongs onto the bad employees, thereby allowing them to either improve their performance or continue on the path to eventual termination.

Shifting the Monkey: The Art of Protecting Good People ...

Some people, however, have mastered the art of shifting those monkeys onto the backs of others. They claim they don't know how to solve a problem or do the task, they say they don't have time, they complain, they perform poorly, they find any and every way to avoid the work - and yet somehow, they're never held accountable.
