## Singing The Ethos Of God

Instead of approaching Scripture with a preconceived general theory of understanding, Singing the Ethos of God instructs the reader in how the fathers practiced the (sung) Psalter in order to become familiar with God's own patterns of communication in and through Scripture, coming in time to shape the lives of those who 'read' appropriately.

Singing is one of the two chief ways in which God's Word dwells in us richly. And, as we observed in the last point, singing is a command. But this command comes with a promise: As we sing psalms, hymns, and spiritual songs together, we are promised that the Word of Christ will dwell in us richly, which is what we should crave as believers!

Singing the Ethos of God is an extended inquiry into the differences between meditating on Scripture, or as the psalmist also puts it, delighting in Scripture (Ps 1:1-2), and summarizing its moral content. My aim was to explore the differences it might make to replace the latter terms with the former biblical ones in the discussions academics usually have under the headings of "hermeneutics" and "biblical ethics."
