What makes a zen art? There are many practices such as yoga, chi kung and many others can involve embodiment of a meditative state while "chopping wood and carrying water". Many practices include the practice of cultivating ever deeper awareness of the present moment somewhere in the teaching, but a Zen art has this kind of awareness as the very foundation stone that all other practices are built on.

My words tremble. It is said that Zen is a topic which words cannot describe in full, for it describes the nature of being. For those who speak do not understand, while those who don't know, truly understand. In that sense one who claims to know what Zen is can be said to be a fraud, like someone who picked your pocket and sold you your own watch.
